Letter No.207/Spl., dated, 10th July, 1944, from the Director of Food Supplies in Mysore, Bangalore, to the Secretary to the Government of Mysore, Development Department (Supplies), Bangalore.

Subject:- Continuance of the term of appointment of the Special Officer, his Assistants and the Establishment working under him, including the Police staff and the District Establishment.

=====

In continuation of this office letter No.10098/Spl., dated, the 10th April, 1944, on the above subject, I have the honour to state that the term of the above establishments will expire by 30th June 1944 and to forward for early orders of Government, the following proposals regarding the further continuance of the same:

2. The working of the Harvest Acquisition Scheme is in full swing now and there is yet a good deal of work to be attended to in connection with the actual acquisition of stocks. Of the total declared quantities of 18,10,949 pallas of paddy, 9,13,817 pallas of ragi. 1,90,966 pallas of jola, 66,314 pallas of other millets and 2,074 pallas of wheat, only 11,53,675 pallas of paddy, 3,77,612 pallas of ragi, 57,799 pallas of jola, 7,269 pallas of other millets and the entire quantity of wheat with some excess quantities also were acquired up to 15th June 1944. There are thus large quantities of grain yet to be acquired, viz., about 6½ lakhs of pallas of paddy, 5½ lakhs of pallas of ragi, 1½ lakhs of pallas of jola and 60,000 pallas of other millets. In addition to this, considerable quantities have also to be acquired under "Vaisakhi" crop in the next six months in the several districts and the interim harvest such as jola in the Mysore District. In view of this and also since the scheme of compulsory acquisition has to be continued for the next harvest also in the interest of maintaining a satisfactory food supply position in the State, I consider it necessary that the entire establishment sanctioned by Government in the following Government Orders with the modifications suggested should be continued during the next year. Any portion of the establishment not required will of course not be entertained or if entertained not continued when no longer necessary. I, therefore, solicit very early orders sanctioning the following proposals:

I. CENTRAL OFFICE -- Special staff.

(a) Gazetted staff:- The term of the Special Officer, viz., Mr. K. Srinivasan, Deputy Commissioner, sanctioned in G.O. No. 5475/CB.214-12-1, dated the 30th June 1943 and his five Gazetted Assistants sanctioned (viz., Messrs. V. Venkatachar, P.N.Krishnaswami B.M. Abu Baker, B. Beerappa and M. Vazeer Ahmed) in Government Notification No.5484/CB.43-2 dated 23rd July 1943 and whose period was extended till the end of March 1944 in Government Order No. 1519-22/CB.83-43-4, dated 12th Novr. 1943 may be continued (Vide: statement I)., till the end of June 1945 or until further orders.

(b) Office Establishment: The office establishment consisting of one Manager, Eleven clerks and four typists and a menial staff of one attender and 16 peons whose term was continued till the end of June 1944 (vide: G.O. No. SD.8117-20/A.8-43-22, dated the 27th May, 1944 and G.O. No. SD.2159-61/A8-43-3, dated the 28th Septr. 1943) may be continued for a further period co-extensive with the term of office of the Special Officer. (Vide: Statement II).

II. Central Office Police Staff: The Police staff of 1 Asst. Superintendent of Police, two Police Inspectors and six Sub Inspectors originally sanctioned in Government Order No.P.1771-83/Pol 19-43-1, dated, the 11th Septr. 1943 for special intelligence work in the Food Supplies Department and attached to this office, and of two Daffedars and 10 Police

the above staff sanctioned in G.O. No. P.5184-86/Pol.19-43-5, dated, the 17th February 1944, may also be continued for a further period co-extensive with the term of office of the Special Officer and his establishment. This Police staff has been doing useful and good work in the detection of several kinds of food offences such as unauthorised dealing in and transport of foodgrains, hoarding of foodgrains, profiteering and corruption on the part of officials of Food Department both in Bangalore and in the Mofussil. It is, therefore, very necessary to continue this staff which will work under the guidance of one of the Gazetted Assistants of the Special Officer who has had police experience viz., Mr. Mahomed Vazeer Ahmed who was the District Superintendent of Police, Kadur, and recently transferred to the Food Department. The question of employing a senior police officer and setting up of an organisation for rooting out corruption in the Food Supplies Department is separately under consideration (vide: Statements I and III).

III. District staff for special work:- Details of the staff required in the districts for work in connection with the acquisition of foodgrains under the Harvest Scheme and of storing and distributing the same are furnished in the enclosed statement IV. The staff now proposed is generally on the lines of the staff sanctioned by Government under the last August Scheme (vide: G.O. No. SD.501-19/A.85-43-1, dated, the 2nd August 1943), and continued for work under the 3rd December 1943 scheme of Harvest Acquisition (vide: G.O. No.6919-34/A.85-43-22, dated, the 12th April, 1944) but on a much reduced scale and as per subsequent modifications ordered by Government in the following Govt. Orders regarding the basic scales of pay for purchase, storage and sales depots which have all been incorporated in the proposals.

(a) Regarding pay of measurers, vide: letter No.641-8/A.85-43-1, dated the 6th August 1943 from the Development Secretary to Government to the Deputy Commissioners of Districts;

(b) Regarding sales depots and the staff for the same, vide: G.O. No. SD.3473-86/A.147-43-1, dated the 25th November 1943;

(c) Regarding purchase depots and the staff therefor, vide: G.O. No.6919-34/A.85-43-22, dated the 12th April 1943;

(d) Regarding appointment of 12 Special Officers for Harvest Acquisition work for certain taluks instead of 12 Special Sheristedars in those taluks -- vide G.O. No. SD.8200-203/A.85-43-27 dated the 31st May 1944. These Special Officers are just joining duty and proposals to continue them for a further period have been made separately.

The total expenditure on the District staff proposed to be continued comes to Rs.17,16,492/- including Dearness Allowance. If the latter is deducted because it is debitable to a separate general head, the expenditure would be only Rs.14,01,480/-. As against this, the budget allotment for 1944-45 is Rs.12,47,116/- of which a lumpsum of Rs.10,00,000/- is provided for acquisition of foodgrains and Rs.2,47,116/- for rural sales depots. There is thus a difference of Rs.1,54,364/-. But no extra grant may really be required because it is most likely that some of the staff will not be engaged for the whole year and there are bound to be further economies as happened in connection with the last August Scheme under which on an average only Rs.70,000/- was spent per month as against Rs.2,50,000/- sanctioned per month.. It is however necessary to have formal sanction of Government for the continuance of the entire staff as detailed in the annexed statement which may kindly be ordered till the end of June 1945.

IV. Frontier Patrol -- Police staff:- The extra Police staff sanctioned from time to time (vide: G.O. No.P.1242-55/Pol.10-43-2, dated, 19th August 1943) to guard the frontiers of the State with a view to prevent smuggling of foodgrains and other controlled commodities beyond the borders of the State has also to be continued for a further period co-extensive with the period of

operation of the several control measures. The existence of this staff has had a good effect and the staff has been instrumental in detecting several cases of attempted smuggling and taking timely action. The entire extra police staff sanctioned for this frontier patrol work may therefore be continued till the end of June 1945.

3. With regard to all the above staff sanctioned, the Deputy Commissioners have been instructed that notwithstanding the general sanction, they should exercise continual scrutiny regarding the need for such staff in any local area or areas, and as soon as the need for such staff has ceased, to retrench the posts. General sanction is sought to avoid unnecessary and frequent proposals and correspondence and the Deputy Commissioners may entertain hands or discharge them according to needs or otherwise in any area.

4. Early orders are solicited.
